## Book Synopsis

A masterful true crime account of the Golden State Killer—the elusive serial rapist turned murderer who terrorized California for over a decade—from Michelle McNamara, the gifted journalist who died tragically while investigating the case.

"You'll be silent forever, and I'll be gone in the dark."

For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area.

Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called "the Golden State Killer."
