Series Naughty Princess Club #2

Book Synopsis

A tale as old as time: she needs a place to stay, he's a grump with a secret and an extra room...can love find a way?

Meet the Naughty Princess Club, a series from USA Today bestselling author Tara Sivec that brings readers to Fairytale Lane and the hilarity—and romance—that three women fall into once they decide to strut their stuff and bring on their own happily ever after.

Living in her overprotective dad's basement, shy Belle lives her life through books. Being a part of the Naughty Princess Club is the first adventure she's ever had, plus she desperately needs the money to save one of her favorite places - the local library.

But when her new friends and new business gets her kicked out of her dad's house, Belle is rescued by the surly Vincent "Beast" Adams who invites her to be his house guest until she gets back on her feet. Despite his attitude problem and long list of rules, Belle finds herself warming to the muscled man with a penchant for growling and starts seeing a gentle side to him that wasn't there before.
