Book Synopsis

When love drives you crazy . . .

When sexy Joe Malone never calls after their explosive kiss, Kylie shoves him out of her mind. Until she needs a favor, and it's a doozy. Something precious to her has been stolen and there's only one person with unique finder-and-fixer skills that can help—Joe. It means swallowing her pride and somehow trying to avoid the temptation to throttle him—or seduce him.

the best thing to do . . .

No, Joe didn't call after the kiss. He's the fun time guy, not the forever guy. And Kylie, after all she's been through, deserves a good man who will stay. But everything about Kylie makes it damned hard to focus, and though his brain knows what he has to do, his heart isn't getting the memo.

... is enjoy the ride.
