Book Synopsis

A behind-the-scenes look into the life of Meghan Markle and her romance with Prince Harry—a dishy, delightful must-read filled with exclusive insights for anyone obsessed with the Royal Family.

Leslie Carroll's books on royalty are "an irresistible combination of People Magazine and the History Channel."—Chicago Tribune

When Prince Harry of Wales took his American girlfriend, Meghan Markle, to have tea with his grandmother the queen, avid royal watchers had a hunch that a royal wedding was not far off. That prediction came true on November 27, 2017, when the gorgeous, glamorous twosome announced their engagement to the world. As they prepare to tie the knot in a stunning ceremony on May 19, 2018, that will be unprecedented in royal history, people are clamoring to know more about the beautiful American who captured Prince Harry's heart.

Born and raised in Los Angeles to a white father of German, English, and Irish descent and an African American mother whose ancestors had been enslaved on a Georgia plantation, Meghan has proudly embraced her biracial heritage. In addition to being a star of the popular television series *Suits*, she is devoted to her humanitarian work—a passion she shares with Harry. Though Meghan was married once before, Prince Harry is a modern royal, and the Windsors have welcomed her into the tight-knit clan they call "The Firm."
